STAMPEDE 2026 MENU

Our team crafted a few feature items available only during Stampede. Enjoy them individually or pair them together. Either way, you'll be soaking up the spirit of Stampede from the comfort of Cucina.

FEATURE COCKTAIL

We're Bringing Pickle Back | 1.5oz

Made with Stampede Rye by Eau Claire Distillery, Annex Soda's Pickle Soda, and fresh dill. This salty and booze forward highball is a little bit weird and a lotta bit delicious.

FEATURE DISH

The Scotch Egg

Inspired by the ease and nostalgia of Midway food, it is served on a stick and packed with flavour. Potato and mortadella scotch egg, chip shop curry sauce, and crispy onion are what make this savoury treat so delicious.
